

The 21st Annual PLA Conference

“Embracing Wholistic Practice”

February, 2010

Dear Colleague:

On behalf of FNTI, I am approaching you with an invitation to sponsor a segment of our 21st Annual PLA Conference to be held in Belleville, Ontario from June 1-4, 2010.

This year’s conference marks a significant milestone in FNTI’s commitment to Prior Learning Assessment as a necessary component of an array of educational services for adult learners. PLA has been an integral part of FNTI’s approach from the very beginning in 1985, helping to guide and shape its vision and mission.

For over two decades, this conference has contributed mightily to local, provincial, national and international initiatives aimed at making systems more respectful and responsive to an increasingly diverse, experienced adult population. In the process we have learned from each other and joined together on a wide variety of projects and activities. We have strengthened our commitment and refreshed our vision about the role played by PLAR and adult learning in the lives of individuals, their communities and workplaces.

Over the years a number of organizations have willingly provided vital financial support enabling us to continue to offer the conference and to advocate on behalf of adult learners.

Enclosed please find a list of sponsorship opportunities to share in easing the financial obligations of FNTI in presenting this conference.

Cheques should be made payable to FNTI, 3 Old York Rd., Tyendinaga Mohawk Territory, K0K 1X0 and marked for the attention of Lynn Wilson, Conference Registrar.

Thank you for your continued interest and support.

Yours truly

Paul Zakos, Chair
21st Annual PLA Conference Planning Committee
