

Admission Criteria for Bachelor Of Social Work
FNTI in partnership with Ryerson University
effective for 2016 Intake Applicants

Life Experience Documentation

For applicants without 2 years paid employment experience in social services, we will consider life experience such as volunteering for social service agencies or related organizations, cultural leadership activities such as sweats, fasts and naming ceremonies, advocacy with social service organizations to respond to special needs in personal / family relationships, and/or training programs of various types (excluding social service diploma practicum hours).

Such life experience in one area or multiple areas require applicants to document at least 3,500 hours, to describe their learning from such activities, and to have confirmation of at least 3,500 hours provided by an Elder, cultural teacher, agency supervisor or any combination of such persons who have knowledge of the applicant's activities.
